

Applicants on Demand

Interview Ready Talent at Your Fingertips

It takes a recruiter 20 hours to go through 1,000 resumes.

Streamline and scale your high-volume hiring with applicants who have passed our quality filter. Applicants on Demand does everything from sourcing to engaging top talent so all your team has to do is interview them, reducing the cost and time to hire significantly.

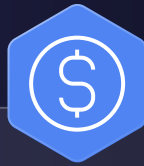

Access a Ready to Hire Talent Pipeline

Decrease the Time to Hire

Improve the quality of applicants coming in to reduce time to hire and potential turnover

Reduce the Cost to Hire

Get pre-vetted applicants to save your team time on candidate sourcing, screening, and engagement

Improve Talent Quality

Optimize your budget by using an outcome-based solution with transparent pay-per-applicant pricing

Why Choose Applicants on Demand?

Eliminate the Hassle of High Volume Hiring

- ▶ Get real-time candidate delivery
- ▶ Applicants go through a quality filter
- ▶ Instead of paying per click, you only pay per apply
